## **SECTION 4: RISK FACTORS**

The following are the risks relating to the Issuer and the Debentures envisaged by the management of the Issuer. The Issuer believes that the factors described below represent the principal risks in here in investing in the Debentures.

Prospective Investors should carefully consider the risks and uncertainties described below and the information contained elsewhere in this Placement Memorandum before making an investment in the Debentures. In making an investment decision, each prospective Investor must rely on its own examination of the Issuer and the terms of the offering of the Debentures. The risks described below are not the only ones faced by the Issuer or investments in India in general that may adversely affect the Issuer's ability to make payment on the Debentures. The Issuer's business, prospects, financial condition, cash flows and results of operations could be materially and adversely affected by any of these risks. Additional risks not currently known to the Issuer or that the Issuer currently deems immaterial may also impair the business, prospects, financial condition, cash flows and results of operations of the Issuer.

This Placement Memorandum also contains forward-looking statements that involve risks, assumptions, estimates and uncertainties. Our actual results could differ materially from those anticipated in such forward-looking statements as a result of certain factors including the considerations described below and elsewhere in this Placement Memorandum.

To obtain a complete understanding, prospective Investors should read this section in conjunction with the remaining sections of this Placement Memorandum, as well as the other financial and statistical information contained in this Placement Memorandum.

The ordering of the risk factors is intended to facilitate ease of reading and reference and does not in any manner indicate the importance of one risk factor over another. Investors should also read the detailed information set out elsewhere in this Placement Memorandum and reach their own views prior to making any investment decision.

**(i) Changes in general interest rates in the economy may affect the price of the Company's Debentures:**

All securities where a fixed rate of interest is offered, such as the Company's Debentures, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e. when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the price of our Debentures.

**(ii) Any downgrading in credit rating of the Company's Debentures may affect the value of the Debentures and thus the Company's ability to raise further debts.**

The Debentures being issued under this Placement Memorandum have been rated "CRISIL AA/Stable" by CRISIL. In the event of deterioration in the financial health of the Company, there is a possibility that the Credit Rating Agency may downgrade the rating of the Debentures. In such cases, potential investors may incur losses on re-valuation of their investment or make provisions towards sub-standard/non-performing investment as per their usual norms. The rating is not a recommendation to purchase, hold or sell the Debentures in as much as the ratings do not comment on the market price of the Debentures or its suitability to a particular investor. There is no assurance either that the rating will remain at the same level for any given period of time or that the rating will not be lowered or withdrawn entirely by the Credit Rating Agency. In the

event of deterioration in the rating of the Debentures, the investors may have to take loss on revaluation of their investment

(iii) **Taxation**

Potential purchasers and sellers of the Debentures should be aware that they may be required to pay stamp duties or other documentary charges/taxes in accordance with the laws and practices of India. Payment and/or delivery of any amount due in respect of the Debentures will be conditional upon the payment of all applicable taxes, duties and/or expenses.

Potential Eligible Investors who are in any doubt as to their tax position should consult their own independent tax advisers. In addition, potential Eligible Investors should be aware that tax regulations and their application by the relevant taxation authorities change from time to time. Accordingly, it is not possible to predict the precise tax treatment which will apply at any given time.

(iv) **Listing of Debentures**

There is no guarantee that the Debentures issued pursuant to this issue will be listed on the Stock Exchange in a timely manner, or at all. The Company intends to list the Debentures on the WDM segment of the Stock Exchange. In accordance with Indian law and practice, permissions for listing and trading of the Debentures issued pursuant to this Issue will not be granted until after the Debentures have been issued and allotted. Approval for listing and trading will require all relevant documents authorising the issuing of Debentures to be submitted. There could be a failure or delay in listing the Debentures on the Stock Exchange. Any failure or delay in obtaining the approval would restrict an investor's ability to trade in the Debentures.

(v) **Limited or sporadic trading of the Debentures of the Issuer on the Stock Exchange**

The Company cannot provide any guarantee that the Debentures will be frequently traded on the Stock Exchange and that there would be any market for the Debentures. It is not possible to predict if and to what extent a secondary market may develop in the Debentures or at what price the Debentures will trade in the secondary market or whether such market will be liquid or illiquid. Once the Debentures are listed or quoted or admitted to trading, no assurance is given that any such listing or quotation or admission to trading will be maintained. The fact that the Debentures may be so listed or quoted or admitted to trading does not necessarily lead to greater liquidity than if they were not so listed or quoted or admitted to trading.

The Company may, but is not obliged to, at any time purchase the Debentures at any price in the open market or by tender or private agreement where permitted by law. Any Debentures so purchased may be resold or surrendered for cancellation. The more limited the secondary market is, the more difficult it may be for holders of the Debentures to realise value for the Debentures prior to redemption of the Debentures.

(vi) **Risk in relation to issuance of Debentures**

Eligible Investors should note that they will be required to submit Application Forms and deposit application monies being an amount equal to ₹ 1,00,000 (Rupees One Lakh Only) per Debenture in relation to the Debentures during the Pay-in Date on the basis of this Placement Memorandum and may not have access to the final Debenture Trust Deed entered/ to be entered into between the Issuer and the Debenture Trustee.

(vii) **Future legal and regulatory restrictions**

Future government policies and changes in laws and regulations in India and comments,

statements or policy changes by any licensor or regulator, including but not limited to the SEBI or the RBI, may adversely affect the Debentures. The timing and content of any new law or regulation is not within the Company's control and such new law, regulation, comment, statement or policy change could have an adverse effect on market for and the price of the Debentures.

(viii)

This Placement Memorandum includes Audited Financial results in relation to our Company for the year ended 31<sup>st</sup> March, 2023 along with Independent Auditors Report dated 24<sup>th</sup> April, 2023.

Any financial results published in the future may not be consistent with past performance. Accordingly, prospective investors should rely on their independent examination of our financial position and results of operations, and should not place undue reliance on, or base their investment decision solely on the financial information included in this Placement Memorandum.

(ix) **Risks in relation to the security created in relation to the Debentures.**

The Debentures are unsecured in nature.

(x) **Licenses and Approvals**

Our operations are subject to governmental, health and safety and environmental regulations, which require us to obtain and comply with the terms of various approvals, licenses and permits. Any failure to obtain, renew or comply with the terms of such approvals, licenses and permits in a timely manner may have a material adverse effect on our business, results of operations and financial condition.

Numerous governmental permits, licenses, approvals and leases are required for our operations as the industries in which we operate and seek to operate are subject to numerous laws and extensive regulation by national, state and local authorities in jurisdictions of India and any other jurisdictions where we may operate in future. Our operations are also subject to laws and regulations relating to employment, the protection of health and safety of employees as well as the environment, including conservation and climate change.

(xi) **Political, Legal, Regulatory and Social Risk**

We are exposed to the political, legal, regulatory and social risks of the countries in which we operate. These risks potentially include expropriation and nationalization of property, instability in political, economic or financial systems, uncertainty arising from underdeveloped legal and regulatory systems, corruption, civil strife or labor unrest, acts of war, armed conflict, terrorism, outbreaks of infectious diseases, prohibitions, limitations or price controls on hydrocarbon exports and limitations or the imposition of tariffs or duties on imports of certain goods. Countries in which we have operations or intend to have operations have transportation, telecommunications and financial services infrastructures that may present logistical challenges not associated with doing business in more developed locales. Furthermore, we may have difficulty in ascertaining our legal obligations and enforcing any rights that we may have. Political, legal and commercial instability or community disputes in the countries and territories in which we operate could affect our operations.

Future government policies and changes in laws and regulations in India and comments, statements or policy changes by any licensor or regulator, including but not limited to the SEBI or the RBI, may adversely affect the Debentures. The timing and content of any new law or regulation is not within the Company's control and such new law, regulation, comment, statement or policy change could have an adverse effect on market for and the price of the Debentures.

**(xii) Counterparty Credit Risk**

Due to the nature of, and the inherent risks in, the agreements and arrangements with our clients, we are subject to counterparty credit risk and any delay in receiving payments or non-receipt of payments may adversely impact our results of operations. There is no assurance that we will accurately assess the creditworthiness of our customers. Macroeconomic conditions, such as a potential credit crisis in the global financial system, could also result in financial difficulties for our customers, including limited access to the credit markets, insolvency or bankruptcy. The Covid-19 also impacted our clients and impacted the automobile and auto ancillary sector which consequently impacted the overall demand of our products. Such conditions could cause our customers to delay payment, request modifications of their payment terms, or default on their payment obligations to us, all of which could increase our receivables. Timely collection of dues from customers also depends on our ability to complete our contractual commitments and subsequently bill for and collect from our clients. If we are unable to meet our contractual obligations, we might experience delays in the collection of, or be unable to collect, our customer balances, and if this occurs, our results of operations and cash flows could be adversely affected. In addition, if we experience delays in billing and collection for our services, our cash flows could be adversely affected.

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net profit and other comprehensive loss and other financial information of the Company for the quarter and year ended March 31, 2023.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Results**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The Statement includes the results for the quarter ended March 31, 2023 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2023 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

## **Management's Responsibilities for the Consolidated Financial Results**

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net profit and other comprehensive loss and other financial information of the Group including its joint venture in accordance with the applicable accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. The respective Board of Directors of the companies included in the Group and of its joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of their respective company(ies) and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group and of its joint venture are responsible for assessing the ability of their respective company(ies) to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its joint venture are also responsible for overseeing the financial reporting process of their respective company(ies).

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Results**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its joint venture of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors.

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities Exchange Board of India under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

The Statement includes the results for the quarter ended March 31, 2023 being the balancing figures between the audited figures in respect of the full financial year ended March 31, 2023 and the published unaudited year-to-date figures up to the end of the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

**Report on the audit of the Standalone Financial Results**

**Opinion**

We have audited the accompanying statement of quarterly and year to date standalone financial results of Century Textiles and Industries Limited (the "Company") for the quarter and year ended March 31, 2022 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, , the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Company for the quarter and year ended March 31, 2022.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Results**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have compiled with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The Statement includes the results for the quarter ended March 31, 2022 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2022 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

**Management's Responsibilities for the Consolidated Financial Results**

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net profit and other comprehensive income and other financial information of the Group including its joint venture in accordance with the applicable accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. The respective Board of Directors of the companies included in the Group and of its joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its joint venture and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group and of its joint venture are responsible for assessing the ability of the Group and of its joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its joint venture are also responsible for overseeing the financial reporting process of the Group and of its joint venture.

**Auditor's Responsibilities for the Audit of the Consolidated Financial Results**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

Page 3 of 3

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results / financial information of the entities within the Group and its joint venture of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors.

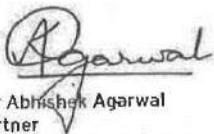

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities Exchange Board of India under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

The Statement includes the results for the quarter ended March 31, 2022 being the balancing figures between the audited figures in respect of the full financial year ended March 31, 2022 and the published unaudited year-to-date figures up to the end of the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

With the launch of the flagship project Birla Niyaara at Worli, the real estate business is also poised for strong growth".

CENTURY TEXTILES AND INDUSTRIES LTD.

- To achieve plantation targets, collaborated & distributed 1.6 million seeds & saplings to farmers as against a target of 1.0 million.

- **REAL ESTATE BUSINESS**

- The flagship project, Birla Niyaara, Worli was launched. Sales of more than Rs. 1,200 Cr. was achieved, making it one of the most successful launches in the Mumbai Metropolitan Region in recent years.
- Achieved sales of worth booking value of Rs. 1,913 Crs in FY22 which is more than 3 times the sales for FY21.
- The launched first phase of Birla Navya, Gurugram has been completely sold out.
- An agreement to jointly develop a 52-acre land parcel in North Bengaluru has been signed with M. S. Ramaiah Realty.

**TEXTILES BUSINESS**

- Turnover in Q4 FY22 has increased by 54% on a YoY basis.
- Profitability saw a complete reversal from last year backed by strong growth in sales and improved operational efficiencies.
- Capacity utilisation in Q4 FY22 touched close to 97% as against 92% in Q4 FY21.
- Launched Home-Textile product for domestic market under the brand name 'Hill & Glade'.

**OUTLOOK**

**PULP AND PAPER BUSINESS**

Domestic market is witnessing very good demand across all paper segments, post re-start of major paper consumption centres. AFH (Away from Home) demand, especially in tissue segment, is expected to regain with partial relaxation in cinemas, theatres, restaurants & entertainment parks. Traders have also started building channel inventories, thereby signifying uptick in demand. Going forward, medium to long-term outlook of the Indian paper industry is positive and is expected to grow parallel with the country's economy.

**REAL ESTATE BUSINESS**

The announcements in the Union Budget on boosting public infrastructure through enhanced capital expenditure are expected to augment growth and bring in private investment through large multiplier effects over the coming quarters. We are now at the cusp for a multi-year upcycle for the residential real estate market. This is evident from the YoY growth in sales numbers at a pan India level. With the launch of 2 projects in MMR viz Birla Vanya and Birla Niyaara, 2 Projects in Bengaluru viz Birla Alokya and Birla Tisya and 1 project in NCR viz Birla Navya, we have established our reputation in our focus markets. We would now be capitalizing on positive cycle to grow our presence and become one of the leading players in the real estate industry.

**TEXTILES BUSINESS**

Coming year will be challenging with respect to pricing. We would be focusing more on offering new products after considering retail price points. Also, focus will be on blending with manmade fibres which can fit into the price bracket and at the same time is acceptable to the buyers. Further, geographic presence will be increased, and new markets will be explored such as Australia, Saudi Arabia and Russia.

**Opinion**

We have audited the accompanying statement of quarterly and year to date standalone financial results of Century Textiles and Industries Limited (the "Company") for the quarter ended March 31, 2021 and for the year ended March 31, 2021 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Company for the quarter ended March 31, 2021 and for the year ended March 31, 2021.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

**Management's Responsibilities for the Standalone Financial Results**

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Standalone Financial Results**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, Intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## **Management's Responsibilities for the Consolidated Financial Results**

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net loss and other comprehensive income and other financial information of the Group in accordance with the applicable accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Results**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to

continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results / financial information of the entities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors.

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have compiled with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities Exchange Board of India under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

The Statement includes the results for the quarter ended March 31, 2021 being the balancing figures between the audited figures in respect of the full financial year ended March 31, 2021 and the published unaudited year-to-date figures up to the end of the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

## SEGMENTAL PERFORMANCE

### **PULP & PAPER BUSINESS**

- Q4 FY21 performance has been better than the previous quarters of this fiscal. Sales volumes have witnessed a growth of 14% in Q4 FY21 compared to Q3 FY21 and 12% growth compared to Q4 FY20.
- The New Tissue Plant was commissioned in March'21, increasing the tissue manufacturing capacity by 100%.
- The business deployed Facility environmental module and FSLM social labour module to benchmark for the sustainable drive in the management of raw materials, energy, water, air emission & chemicals.

### REAL ESTATE BUSINESS

- The business registered strong sales performance across all projects-- Birla Vanya, Kalyan; Birla Alokya, Bengaluru; and the newly launched Birla Navya at Gurugram. This was on the back of a healthy demand seen in the residential real estate segment.
- The sector continued to gain momentum in Q4 FY21 after a strong performance in the festive season in Q3 FY21, following the stimulus by governments.
- The business has achieved 45% water saving in all the existing projects and 10% energy saving in most of the existing projects as part of its sustainability initiatives.

### TEXTILES BUSINESS

- Overall business was close to normalcy in Q4 as the quarter saw good demand in retail, domestic and international brands.
- Increasing demand in the US for home linen contributed to full capacity utilization in this quarter too. However, international brands emphasizing organic and imported Pima and Egyptian cotton for production dented the profitability.
- Birla century is committed to reducing energy needs and has reduced the same by 17% in the past four years and recycled 95% of the water used.

## OUTLOOK

### **PULP AND PAPER BUSINESS**

The second wave of the COVID-19 virus can affect demand in the domestic and global market. Partially re-started paper consumption centres like schools, colleges, offices, judiciary, restaurants, and hotels etc are being closed by government authorities. However, the ongoing vaccination drive will help in reducing fear among the people. The medium to long term outlook for the Indian paper industry appears to be positive.

### **REAL ESTATE BUSINESS**

The expansion in the vaccination program and the improving economic scenario has considerably improved the market sentiment. The changes brought forward by the pandemic in terms of digitization and customer pre-disposition towards branded developers will continue over the coming quarters. The buoyant consumer sentiment, renewed appreciation for the need for owned spaces and the trust in the Birla Brand will hold us in good stead as we accelerate our growth plans.

116 EEE

## **TEXTILES BUSINESS**

In FY 22, an increase in demand is expected as some global customers have started shifting their orders from China to India. However, the global market outlook is still not clear because of the outbreak of the new virus strain world-wide. The current product mix is more focused on sustainability, having innovative finishes to cater to the market once domestic and international markets reopen in full swing.

#### Detailed Rationale

CRISIL Ratings has assigned its 'CRISIL AA/Stable' rating to the Rs.400 crore non-convertible debentures (NCDs) of Century Textiles and Industries Limited (Century) while reaffirming its 'CRISIL AA/Stable/CRISIL A1+' ratings on the bank facilities and other debt instruments. CRISIL Ratings has also withdrawn its rating on Rs.400 crore NCDs on full redemption, receipt of NOC from Trustee and request from company. The withdrawal is in line with CRISIL Ratings' withdrawal policy. (see 'Annexure - Details of Rating Withdrawn' for details)

Operating income grew 16% on-year to Rs 4,800 crore in fiscal 2023, with earnings before interest, tax, depreciation and amortisation (Ebitda) margin of 11.0% compared with 10.9% in the previous fiscal. The improvement reflects demand recovery mainly in the paper segment with improved pass-through of raw material price increases to customers albeit with moderating export demand in the textile segment, steady commercial real estate and healthy up tick in residential real estate business. In the fourth quarter of fiscal 2023, company also received one-time post-tax profits of Rs 134 crore from long-term lease-out of its Paper segment land in Bharuch, supporting cash generation. Operating performance is expected to remain healthy over the medium term with steady operating margins in 12-13% range, driven mainly by steady paper, paperboard and tissue paper demand. Performance of the commercial real estate segment is likely to remain steady, while textile demand will be supported by domestic demand albeit impacted by slowing exports. Residential real estate projects of Century on owned land and joint development agreements (JDA) entered into through the wholly owned subsidiary Birla Estate Pvt Ltd (BEPL) continue to generate healthy sales booking providing cash flow visibility, thereby resulting in comfortable cash flow position with minimum reliance on external debt.

Century has continued to achieve healthy sales traction across its residential projects signifying the company's strong brand name, attractive project features and ability to achieve sales booking. As on March 31, 2023, company achieved cumulative sales value of Rs 2,360 crore or ~82% of project value at Phase-1 of its newly launched flagship residential project on own land bank at Worli, Mumbai within a year of its launch. Further, with almost all of its phase 1 inventory being booked and launch of second phase in the Birla Vanya project at Kalyan, Mumbai, cumulative sales stood at Rs 652 crore or 69% of total project value. Also, in the Birla Aloka project in Whitefield, Bengaluru, Rs 353 crore or 90% of the project value was booked. The construction activities are continuing as per schedule with the company doing construction amounting Rs 902 crore against advances of Rs 861 crore received during fiscal 2023 with no major investments into any new JDAs in last two fiscals. Further, Century continues to generate steady lease rental income from its commercial properties in Mumbai. Company's JDA projects too are doing well with healthy continuing booking. As of March 31, 2023, it has received Rs 513 crore or 81% of the total sales potential in its JDA project, Birla Tisya, in Magadi Road, Bengaluru, and Rs 1,302 crore or 82% of total sales in phase-1 of Birla Navya JDA project at Gurugram.

During April and May of 2023, the company has made opportunistic purchases of few land parcels in Pune, Mumbai and Bangalore spending about Rs 500-600 crore in total, funded through a mix of internal accruals and debt leading to increase in consolidated debt and gearing increasing to ~0.4 times in April-2023 from 0.26 times as on March 31, 2023. However, gearing is expected to remain below 0.6 times over the medium term despite expected increase in debt for land purchases and JDA investments; and remains our key monitorable. Century will be launching projects on these land banks during the subsequent years, generating a healthy pipeline of residential projects. The investment required in residential real estate

218 C

development is expected at Rs 400-500 crore per annum given the asset-light model adopted, with projects launched on owned land bank or with JDAs combined with opportunistic land acquisitions. The company follows a flexible approach towards investments into JDAs, create a healthy pipeline of projects and will focus on executing ongoing projects. The customer advances from healthy sales bookings are expected to be adequate to meet the construction cost of ongoing residential real estate projects. Furthermore, upfront investment requirement in JDAs, opportunistic land purchases and new project launches are expected to be funded through a mix of healthy cash accrual and debt over the medium term. Any larger-than-expected investment in JDAs or new projects could adversely impact the capital structure of Century and will remain a key monitorable. The company continues to benefit from business diversity, with increased share of the higher-margin paper business, which is well supported by textile and commercial real estate businesses. The ratings are also supported by Century's healthy financial risk profile. Furthermore, the ratings benefit from strong, need-based and timely financial support from the Aditya Birla (AB) group.

These strengths are partially offset by exposure of the residential real estate development business to demand and implementation risks, although it is mitigated by the group's development track record in commercial real estate and focus on quality and timely project completion. Also, the commoditised nature of businesses and susceptibility to intense competition and cyclical business conditions, renders some volatility to its paper and textile businesses.

#### **Analytical Approach**

- CRISIL Ratings has applied its criteria for notch-up of ratings based on group support.
- CRISIL Ratings has consolidated its wholly owned real estate subsidiary, BEPL, given the financial fungibility.

*Please Refer to Annexure - List of entities consolidated, which captures the list of entities considered and their analytical treatment.*

#### **Key Rating Drivers & Detailed Description**

##### **Strengths:**

**Healthy financial risk profile:** Century's financial risk profile continues to be healthy, as indicated by sound capital structure and debt protection metrics. Gearing stood at 0.26 time as on March 31, 2023, slightly lower than 0.34 time a year earlier, mainly on account of debt repayments with no major investments into real estate business or JDA projects. The company's debt stood at Rs 1,038 crore as on March 31, 2023, and has increased in April post the land purchases and is expected to increase further over the medium term with investments in residential real estate business. However, gearing is expected to remain below 0.6 time over the medium term despite expected increase in debt; and remains our key monitorable. Debt protection metrics has improved in fiscal 2023 with adjusted interest coverage ratio of 10.26 times driven by healthy operating performance reduced interest burden and is expected to remain at 4-5 times over the medium term. Investments in residential real estate projects are expected to be carried out in a phased manner, with initial funding from Century into the JDA and owned projects through a combination of cash accrual and additional debt. Furthermore, a large portion of the project cost is being funded from customer advances, with low reliance on external debt.

**Diversified business risk profile, supported by established presence in the paper and textile segments:** Century benefits from its established market position in the pulp, paper, paper board and textile segments. The paper segment is the major revenue contributor, at about 75% of the total operating income, with healthy realisations and demand pick-up from the e-commerce, fast-moving consumer goods and pharmaceutical sectors driving capacity utilisations. In the textile segment, healthy domestic demand is expected to provide support despite moderating export demand.

##### **Expected steady cash flow from paper, textile and commercial real estate assets, albeit offset by investment risk from foray into the residential segment:**

Cash flow generation is expected to improve this fiscal, with net cash accrual of Rs 400-450 crore, which will be adequate to meet term debt obligation and expected refinancing of Rs 250 crore NCDs. Century ventured into real estate development in 2010. Its 22-storey (15 floors for lease and the rest for car parking) commercial building, Birla Aurora, at Worli in Mumbai, has been fully leased out and generates steady rentals. The company's second commercial building, Birla Centurion, located at its Worli mill compound, was also fully leased out. Both these properties benefit from a diversified clientele, long-term lease contracts with in-built escalation of 9-15% every three years and no delays or renegotiations amid the Covid-19 pandemic. Steady annual lease rental income of about Rs 140 crore annually from commercial real estate assets is expected to support cash flow over the medium term.

Century has entered into development of residential projects through a mix of owned land and JDAs through BEPL. The initial project funding will be done by Century, while a large portion of funding will be from customer advances and only 15-20% from construction loan. BEPL is expected to follow a phase-wise development model with an asset-light strategy to capitalise on owned land bank and a prudent growth plan through the JDA route. The investment requirement in residential real estate development projects and JDAs would be met through a mix of cash accrual from the manufacturing businesses and additional debt of Century over the medium term. The extent of investment in real estate business, ramp-up of projects and the resultant cash flow and debt levels will be key monitorables over the medium term.

**Strong and need-based timely financial support from the AB group:** Century benefits from the strong and need-based timely financial support of the AB group. CRISIL Ratings believes the promoter group will continue to provide timely financial support in future, in case of exigencies, as has been demonstrated in the past.

##### **Weaknesses:**

###### **Exposed to demand and implementation risks in the residential real estate business:**

BEPL plans to expand substantially its residential real estate business. In April 2019, it launched a project in Kalyan on owned land, entailing a development plan of about 13 lakh square feet (sq ft) in a phased manner over five years. It also launched Birla Niyaara project on owned land in Worli, Bangalore, in 4Q-FY22, Birla Alokya project also on owned land in

Whitefield, Bengaluru, in October 2019 and the JDA project (Birla Tisya) in Bengaluru in December 2021 - achieving healthy sales booking. In October 2020, BEPL launched a JDA with Anant Raj Ltd to develop about 33 lakh sq ft over the next 7-8 years in Gurugram. Additionally, the company has plans to make investments in one or two JDAs every year.

The company has achieved healthy sales traction in the residential projects that have been planned and launched. However, majority of them still are at an early stage of development, thus exposing BEPL to demand and implementation risks. While the residential real estate environment has improved post the pandemic, new project launches and early stage of project development continue to expose the company to demand risk, which in turn could impact the overall business risk profile of the company.

Nevertheless, BEPL is expected to benefit from the established Birla brand, as demonstrated in healthy sales booking in the Birla Niyaara, Vanya, Birla Alokya and Birla Tisya projects. Furthermore, the development track record of Century of completing 6.6 lakh sq ft of Grade A commercial projects in Mumbai, the phased growth strategy and tie-ups with reputed contractors mitigate project implementation risks. Progress on the projects and ramp-up in scale will, nevertheless, be closely monitored.

**Commoditised nature of business, intense competition and cyclical:** Century's key businesses of paper and textiles are commoditised, besides being vulnerable to business cycles. This exposes the company's performance to volatile demand conditions and realisations, in addition to variations in input cost, as seen in the past few quarters. Also, its businesses are highly competitive because of the presence of a large number of established and unorganised players. Operating profitability is likely to remain partly susceptible to pricing pressures in both the segments because of intensifying competition, although a direct correlation exists between raw material prices and the finished product.

#### **Liquidity: Strong**

Liquidity is backed by healthy net cash accrual and prudent working capital management. Liquid surplus was Rs 299 crore as on April 30, 2023, along with nominal utilisation of the bank limit over the six months through April 2023. Cash flow generation is expected to be strong with average net cash accrual, expected at Rs 400-500 crore per annum, will be adequate to meet term debt obligation of Rs 250 crore NCDs in fiscal 2025 and capital expenditure (capex) of Rs 140-150 crore in manufacturing and to partly fund the required investments in the new residential real estate projects. Low gearing, large networth and large owned land bank provide strong financial flexibility. Century is expected to maintain adequate liquidity in the near to medium term.

#### **ESG Profile**

CRISIL Ratings believes that Century's Environment, Social, and Governance (ESG) profile supports its already strong credit risk profile.

The paper, textiles and real estate sectors can have a significant impact on the environment owing to high water consumption, waste generation and greenhouse gas (GHG) emissions. The sector's social impact is characterised by health hazards, leading to higher focus on employee safety and well-being and the impact on local community, given the nature of its operations. Century has continuously focused on mitigating its environmental and social risks.

#### **Key ESG highlights:**

- Century has released its detailed sustainability report in fiscal 2022 with detailed description (including quantitative details) as per GRI standards for key ESG parameters and has scored 90.2% in the Higg Facility Environmental Module-2021 (Higg FEM). Higg FEM measures and quantifies the sustainability impacts of a facility.
- Company has been consistently improving on its emission intensity with green-house gas related Scope 1 and 2 emissions of 9,58,908 tCO<sub>2</sub> in fiscal 2022
- It is continuously seeking to improve energy savings through process optimization and alternate energy. In fiscal 2022, about 41% of its energy needs was generated using renewable sources which has resulted in avoidance of 21,400 tonnes of GHG emissions.
- Its loss-time injury frequency rate (LTIFR) of 0.43 in fiscal 2022, is lower vis-à-vis peers, representing healthy employee safety and well-being standards. Gender diversity is an improvement area with only 4% of employees being women as of fiscal 2022, albeit, better than peers.
- The governance structure is characterised by 50% of the board comprising independent directors, split in chairman and CEO positions, and presence of an investor grievance redressal mechanism and extensive disclosures.

There is growing importance of ESG among investors and lenders. Century's commitment to ESG principles will play a key role in enhancing stakeholder confidence, given its high share of market borrowings in its overall debt and access to both domestic and foreign capital markets.

#### **Outlook: Stable**

Century will sustain its healthy financial risk profile and business diversity over the medium term.

#### **Rating Sensitivity Factors**

##### **Upward Factors**

- Material and sustained revenue growth combined with operating profitability margin over 20%
- Steady contribution from the residential real estate business
- Improvement in the capital structure, with sustained debt reduction
- Improvement in credit risk profile of AB Group

##### **Downward Factors**

- Moderation in the business risk profile, with decline in revenue and operating profitability

- Large debt raised for manufacturing businesses or funding residential real estate business, resulting in gearing above 0.6-0.7 times on a sustained basis
- Slower-than-expected sales and cash flow in the ongoing real estate projects
- Higher than expected investments in real estate business
- Deterioration in the credit risk profile of AB Group

**About the Company**

Incorporated in 1897, Century is promoted by Mr BK Birla and remains the flagship company of the BK Birla group. Following equity infusion in March and December 2015, the AB group is a significant stakeholder in the company. As on June 30, 2021, the promoters held 50.21% stake in the company. Mr Kumar Mangalam Birla was appointed as Chairman of the company effective July 20, 2019, following the demise of Mr BK Birla. Century operated a cotton textile mill until 1951. Since then, it has progressively expanded into diverse fields by setting up manufacturing units in rayon, cement and pulp and paper segments. The company also ventured into the real estate business. It manufactures a variety of paper products (including multi-layer packaging board and tissue paper) with total installed capacity of 4.86 lakh tonne per annum. In fiscal 2018, the company incorporated a wholly owned subsidiary, BEPL, to focus on the residential real estate business.

Century reported net profit of Rs 265 crore on operating income of Rs 4,8002 crore in fiscal 2023 compared to net profit Rs 162 crore on operating income of Rs 4,131 crore during the previous fiscal.
